
VISION WORKSTATION SYSTEM

VISION desk frame system is a stylish thoroughly modern take on simple design, Available with numerous options and combinations. Incorporating a 40 x 70mm Rectangle “A” Frame Tube leg profile and fully configurable to suit the requirements of any dynamic and collaborative work place, the Vision frame has an adjustable foot for levelling and a 6mm sleek shadow line between the worktop and frame giving the appearing of a floating top. It is Compatible with CSM's various screen systems & accessories.

Available with white or black powder coated frame Only
