CSM

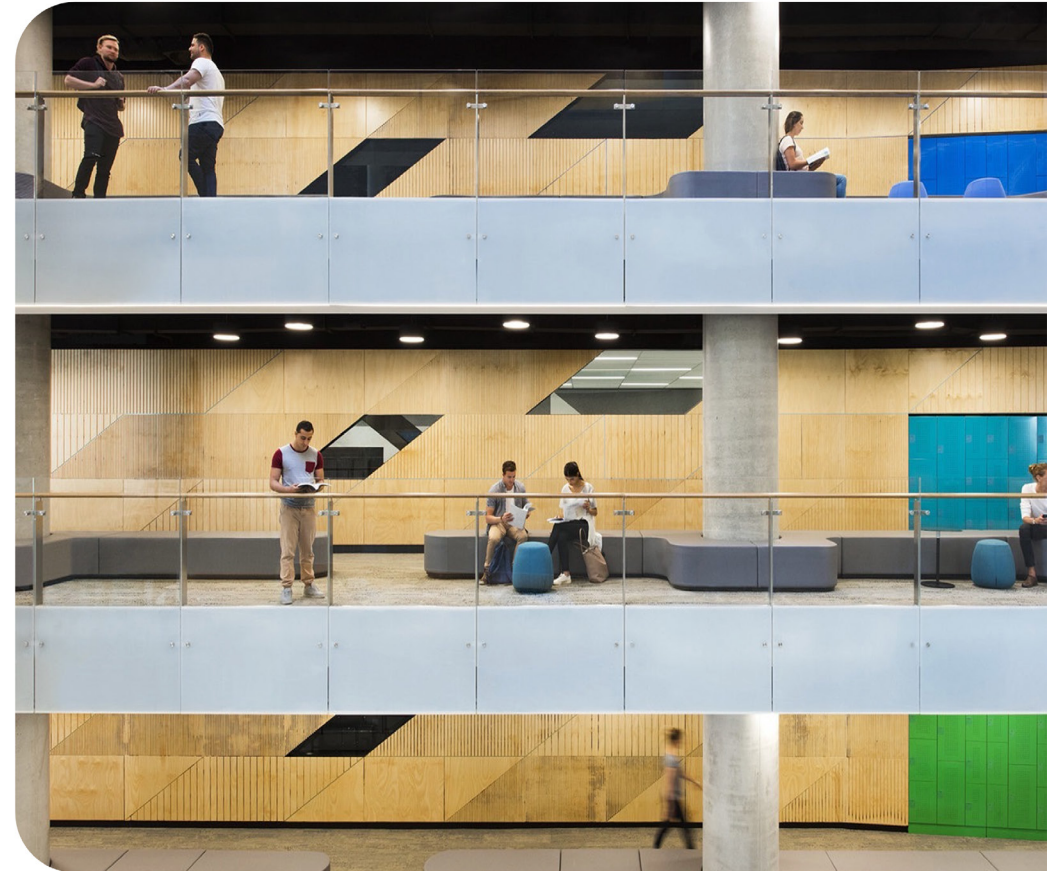

About Us

DiscoverLock is the result of an innovative collaboration between Australian owned and operated **WEQA** and **CSM Office Solutions**.

With over 65 years in the locker and storage solutions sector the collaboration brings a state of the art smart locker management solution **promising greater freedom and convenience** in the form of an easy to use, wifi enabled alternative to the traditional hardwired locking systems.

Entirely touchless, DiscoverLock allows users to have greater flexibility, hygiene and simplicity all at a thumb scroll.

What is DiscoverLock?

Discover**Lock** is the modern smart locker solution for efficient use of personal and shared locker storage space.

Innovative Design
