# Work Aisles Range

**CSM's Work Aisles smart storage space divider range features lockable shared storage in either single, double or triple units – also known as Uno, Duo, Trio.**

Work Aisles are Australian designed and manufactured, which means greater flexibility, shorter lead times and sustainability.

All of CSM products including the Work Aisles Collection are available in our 20 classic colours from the CSM colour pallet and in 200+ powdercoat finishes from the Dulux and Jotun ranges. Please note – unfortunately due to current world wide logistic and supply chain delays, colour surcharges and/or increased lead times may occur for some colours.

Colour Range

CSM products are commercial-grade quality meeting the highest health and environmental standards.

Laminate bench top finishes.

# Work Aisles Uno

**Work Aisle Uno provides an agile, multipurpose storage solution for modern work, learning and social spaces.**

Robust laminate tops double as a collaborative bench space while providing essential storage for every team. The Uno offers a fusion of personal storage, office storage and utility storage in a variety of combinations.

Open, closed, locked, or touch free – you can easily adapt the Work Aisle modules to mix lockers, hinged door cabinets, bookcases, touch-free rubbish and recycling cabinets in a variety of sequence to meet the storage needs of each work zone.

Providing function and form, the units create aisles within a space, offering separation and privacy for each neighbourhood. Uno will adapt easily to changing floor configurations or to suit the needs of a growing team.
